What will I do at wee Wonders?

- Each session begins with check-in at the Efroymson Entrance. Participants receive an apron, name tag, diaper bag tag, and admission wristband.
- After general introductions, the Teaching Artist and IMA Staff escort the participants to the galleries for an art hunt. Each child is provided with a “wee Friend” to keep asleep in the galleries. Every week, participants use the clues from a sing-a-long to find three works of art. At the third work a story is read.
- After the gallery visit, each child is provided with instruction and materials to create a work of art inspired by their visit.
- Participants are invited to keep their art project and may stay to play in the Star Studio following class.
- Every session of wee Wonders follows the same format, however, the gallery artwork, hands-on art-making activity, and closing activity changes weekly.
