

Summer Camp at Newfields

2022 FAQs

How do I register for camp?

The 2022 Summer Camp season is open to Family Members and above. Summer Camp Lottery registration will be open from March 4-11, 2022, to Family level members and above. If you participate in the lottery and do not get in the camps you wanted or missed the Summer Camp Lottery window, we highly recommend emailing IMASummerCamp@discovernewfields.org to be put on the waiting list. You will be put on the waiting list based on the timestamp of your email.

Does my camper need to wear a mask?

Decisions will be made regarding the safety of our campers, guests, and staff by May 1st. We will update the website with safety protocols and send an email to families registered for camps on May 1st.

How will campers be socially distanced?

For the Safety of our campers, Newfields will retain some of the 2021 protocols, especially if there's still a need for social distancing. We reduced the class sizes to 50% capacity. This will give campers room to spread out and stay at least six feet apart. Campers will spend all of their time with the other campers in their class, not mixing or socializing with the other classes. This will limit the number of interactions with different people. Lastly, campers will either have lunch outdoors or a socially distanced lunch at their seats.

What cleaning steps are you taking?

Shared supplies (art supplies, games, books, etc.) and other program materials will be cleaned at the end of each camp day. Supplies will not be shared between studio classrooms unless properly disinfected.

Campers will wash their hands whenever they enter the classroom. If campers need to use shared supplies, they will wash their hands before and after using the materials. They will also be asked to wash or sanitize their hands after using a tissue, sneezing, or coughing, and before and after they eat or handle their food. Food can NOT be shared between campers.

What are the hours of camp?

Camp drop off is from 8:30 – 9 am each day. Pick up is from 4 – 4:30 pm. This year Drop Off and Pick Up times are offered in 30- minute windows to allow for staggered arrival and departure times. Signs will be visible to guide families to the pick-up and drop off locations specific to each camp.

What does a typical day look like?

Campers will be making, exploring, and having fun the whole day long. Each day is a little different, but usually include two to three art-making times. Campers will spend time in the galleries and outside. The experienced Teaching Artists encourage campers to experiment with traditional and nontraditional materials. The Newfields campus is open to the campers, and they'll be exploring all parts of it.
