### **Does my camper need to wear a mask?**

In line with current CDC guidelines, masks are optional for all guests indoors and outdoors attending the Newfields campus. We strongly encourage guests to wear masks indoors when social distancing is not possible.

### **What are the hours of camp?**

Camp drop off is from 8:30 – 9 am each day. Pick up is from 4 – 4:15 pm.

### **What does a typical day look like?**

Campers will be making, exploring, and having fun the whole day long. Each day is a little different, but usually includes two to three art-making times. Campers will spend time in The IMA Galleries or in The Gardens outside. The experienced Teaching Artists encourage campers to experiment with traditional and nontraditional materials. The Newfields campus is open to the campers, and they'll be exploring all parts of it.
