### **What are the hours of camp?**

Most camps open at 9am with drop-off beginning at 8:30am and conclude at 4pm; we expect all campers to be picked up by 4:15pm. Our camps for 4–5-year-olds is 9am-noon.

### **What does a typical day look like?**

Campers will be making, exploring, and having fun the whole day. Each day is a little different, but usually includes two to three art-making times. Campers will spend time in The IMA Galleries or in The Gardens outside. The professional Teaching Artists encourage campers to experiment with traditional and nontraditional materials. The Newfields campus is open to the campers, and they'll be exploring all parts of it.
